“ All please accept sincere condolences to all from the Esposito family as this is a painful loss for everyone. God be with you all. During the death of Lazarus the sisters had a conversation with Jesus - John 11:25-26 25 Jesus said to her, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live. 26 And whoever lives and believes in Me shall never die. Do you believe this?" The sisters of Lazarus said yes. I too believe that lilke in the bible Donna is risen again in heaven with the Almighty by the love and grace of god. She is with Nanny and Paw Paw and of course she has visited Elvis. Love and prayers for all from Michael.

“ Sharing the love of family is so important. We do not have to see or talk to one another to know that we are loved and I feel as though Donna knew I loved her. She will hurt no more, and one day when the Lord calls me home, I will see her and hear her laughter.

“ *Donna, my sweet cousin.... The days of growing up are freshest in my memory...summers spent at your house, chasing Pooch hound, speaking some unknown language that made us all laugh because it sounded so real, but knew it wasn't, meeting your then boyfriend, Allen, who became the love of your life and your beloved for 50 years... And so much more. We're laughed and cried together, got mad at each other for a moment or two, and then in later years we let distance and time separate us. But I hold you in my heart and look forward to seeing you in eternity. Give Jesus my adoration, and I will see Him at my appointed time. Until then, sweet one....I love you.*
