Dottie, has been my friend, my pen pal for over 20 years. She was a very special woman. She was so inspirational and loved her family. She shared so much about her family and how much she loved them. I am blessed to have been able to know Dottie. She treated me as part of her family. I am going to miss her more than words. She was so dependable with her writing letters and sending pictures. Her letters were always so exciting and heartwarming. I will miss you dearly, my friend, Dottie. You have been so much more than a friend for so many years. Your memory will forever live in my heart. I am going to miss you so much. My deepest sympathies to your family. They loved you so much and you were so blessed to have such a great family. I am so blessed to have had your friendship for so many years. Dottie.....I have been in tears and miss you so much. I know you are at peace now. Love and friendship, memories will be in my heart forever. Forever pen pals, great friends. I love you. Virginia Haggerty..... (Ginny)
