“ Dad it's almost been a year now and so much has changed. There's not a day that goes by when I don't think of u. I think of all the times we had together and I think god for the years he gave me with u. You've thought me so much more than I ever realized while u were here. Lucas says he miss u all the time and some times he cries but he knows u are in heaven he finds change all the time and says u left it for him lol he's getting so big. I wish u were here to see your beautiful granddaughter Jamie she is something else u would just melt if u saw her. Me and Casey are having another baby but we don't know what it is yet. I love you and miss u so much miss all the fun we had together wish we could've had more time but God knows best and was ready for u to go home I will see u again I just hope I can leave as many good memories with my family and teach my kids as much as u did me. Thank you dad for always loving me I love you with my whole heart I'll see you when my time comes

“ I am so sorry to hear of the loss of Donnie. Loosing a loved one is one of the most difficult experiences we have have. I, too, have recently lost both my mother and husband and try to comfort others who are grieving. The Bible has helped me more than anything. John 5:28 tells about the resurrection of the dead and Revelation about the time when death will be no more. Please contact me at rm_sarske@gmail.com

“ *Donnie, you were one of a kind, a sweet wonderful man who will be missed by all. Thank you for gifting me with my furry babies and all the laughter you gave me through out the years. I pray for your family during this time and hope they know God has a plan for us all and we have to trust in him during our saddest moments. I will miss you my friend, love always Toni Baker*
