“ I remember spending the night with Granny Doris and Papa and everytime she would have a big glass of buttermilk. I remember smelling it. One time I asked her if I could try it. She looked at me and said you probably won't like it. But she poured some anyway. She watched me as a drank the horrible sour stuff. I guess I made a face because she laughed so hard. She was so sweet and always had such a big smile.##imported-begin##Jennifer Chapman##imported-end##
