

Dorothy L. Fleeman

October 25, 1928 - February 7, 2023

Dorothy Lee Edith Fleeman was born October 25, 1928 and passed from this life on February 7, 2023.

Dorothy was a woman of strong faith. She prayed with and for anyone and everyone. Not only did she pray fervently, but she was also open and accepting of everyone. Dorothy was kind, complimentary, generous, and uplifting to others. As if these qualities were not enough, she was a good listener, loved cooking for others, and had an incredible sense of humor. Dorothy was also a pioneer for other business women. She owned her own business for over 40 years before passing it down to her daughter and son-in-law.

She was preceded in death by her husband, Clyde and her daughter, Carolyn Johnson.

Dorothy is survived by her granddaughters, Tracey Johnson and Jennifer Shirey; her son-in-law, Larry Johnson; and her great-grandson, Jamie Shirey.

Family will receive friends from 10:00am to 11:00am on Saturday, February 11, 2023 at Byrum Funeral Home Chapel with a celebration of Dorothy's life beginning at 11:00am. Interment will immediately follow at Red Oak Cemetery.

“ Dorothy was such a godly example to me. From her sacrificial love taking care of her dear husband Clyde to her deep love she had for her family and friends, she always put on Christ. Dorothy was as humble as she was gracious to everyone she met. Even her "rescue" dog, Ace, was the recipient of her kindness and love. One of Dorothy's favorite preachers was Conrad Murrell. I would burn CD's of his sermons and give them to her to listen to, of which she was always grateful. The following quote from Conrad reminds me so much of how Dorothy lived her life. I'll never forget her kindness and love to me and my family and look forward to the Day when she and I meet again.

"In the earlier years of our Christian race, they're always seems to be a sense of mission, of reachable goals or significant accomplishment, even if there is not the achievement of something concrete that endures beyond our lifespan. But gradually, it dawns upon us that we are going to leave this world and the Christian world pretty much as we found it. We have eliminated no lies, evils, stumbling blocks, corruption, or blasphemies that were there when we started. All we have done is expose them in our day, snatched a few brands from the burning, and exalted the gospel in the name of Jesus to the top of our voices, even to the uttermost of our strength, until we have no more voice or strength left to expend. More and more, Paul's words, "I have fought a good fight, I have finished my course, I have kept the faith", seems to be the only goal and objective worth observing at the end, and ought to be the supreme consideration on any decision or action in our lives." ~ Conrad Murrell

“ *As a child and teenager growing up on Methodist street in Red Oak, it seems Carolyn and I were always together in school and at church. There was a church and house that separated our houses so we had easy access. I don't remember a time that Dorothy was not in my life growing up. She always welcomed me with a smile. As we grew older, she was always supportive of whatever we were doing, singing in the 4 C's group, slumber parties and always the food. We could always count on Dorothy's love and kindness. Much love to her family!*

My sweet Dorothy, I am so grateful that God put our lives together in the last few years. I will always cherish the memories, prayers, recipes, and laughter we shared and wish we'd had more time to share even more. You were the most loving person ever, and all the many friends you have testify to that. Thank you for the sweet memories, dear lady.
