I have known Mrs Dorothy Parker for the better part of my life, she was an amazing lady, I remember one Christmas when was around 8 years old she had bought me this mirror with all these little gem stones on the back of it and I cherished that mirror and thought is was the prettiest thing I had ever seen. She may be gone from this earth and will be missed greatly, She will still live on in all the hearts of the folks that knew her. I love you Mrs Dorothy when will see you again in a better place. God please bless her family friends and help them and guide them through this hard time. Love always Connie Geisler, Mary and Ed Valdez

Dorothy was a wonderful friend. One of the hardest workers you'll ever meet. She didn't talk much unless you asked about her family. She loved her family, and I heard lots of stories about her grandkids. We will miss her tremendously.
