“ Oh we were so saddened to hear that our good friend Doug had passed. I will never forget the time that he was out sitting in his lawn chair watering the flower bed. I sneaked over and "folded" the hose so the water quit. He was very puzzled. I would fold and unfold the hose randomly. He was REALLY puzzled. Then I started pulling on the hose pulling it though his hands! That's when he saw me. We will miss you, Doug. Our condolences to the family and especially to Sue. With love, Vern and Lisa
