“ I stopped by to visit Mrs. Calvin on her birthday in May. She was so happy because her grandchildren had taken her to a Ranger game earlier in the day. She was lovely and kind.

“ We had the privilege of meeting Edna once. My mother was Virginia Singleton, who was married to Roy Flippen. We had the honor of presenting Edna with Roy's Purple Heart, Bible, and photographs that we found among my Mom's things after she died.

Edna shared memories of my Mom as a young woman and I cannot express how much those memories meant to me as Virginia's son.

Edna's kindness toward us was greatly appreciated. We know she was a special lady and she will be greatly missed.

Our prayers and thoughts are with you all.

“ I think I was 10 years old before I realized Edna Earl wasn't my grandmother! She was in fact my "Great" Aunt and the "great" describes her perfectly. EE was a constant in my life; always stable and secure. She was someone I could always count on for an honest opinion. She always made me feel loved and special growing up. I still laugh out loud when remembering our shopping trips to Mexico, the fishing trips, the lake house and just spending the weekend with her. We would start laughing about something and couldn't stop. There was no way you could walk into her house and not feel welcomed. I told her not too long ago that everytime I visited it was like coming home. I felt like a little girl again. She said, Well that's good, because you will always be a little girl to me! What a blessing she was in my life. Edna Earl will truly be missed by all. I am happy to count my loss as heaven's gain! "Little Cindy"

“ *My wonderful, wonderful Edna Earl!!!! So many childhood events together!! You can't have Edna E without Paul..they were always the center..."our" camping trip to Oklahoma is something I'll never forget! And they were always FUN! Edna E. was the person who told me my mom was 6 yrs older than my brothers and I thought...best kept secret!!!! Tommy and I never let mom know we knew! I will miss her in my heart. When my mom passed, she stood up at the graveside services and said such awesome things about mom. I'll see you again someday, if I'm so lucky!*

“ *Mom will be greatly missed by many. She was the matriarch of our family and lived an amazing 96 years on this earth. She has always been a loving, forgiving grandmother. I am blessed to have 43 fantastic years of memories with her. She was a good Christian woman and always tried to instill these values in each one of us. She always put others first and reminded us what was right and wrong. I had the honor of being her granddaughter and will be forever grateful. She will be deeply missed. I know in my heart that she is with our Lord and Savior and pray that Pop was waiting to greet her. While my heart is sad and hurting, I find peace in knowing that she has eternal life. This is God's promise.*
