“ *Erlynn was one of the sweetest ladies I've known. Her loving concern for all; her curious nature; her ability to listen; and her wonderful laugh and sense of humor.*

*I first knew her when we were both young as I met her loving mother in 1966. I always admired her as she raised her children and then heard her tell of the joyous activities she had with her dear grandchildren. Just recently I received the most expressive e-mail about the Baylor Homecoming activities. What a great time she had! She bragged on & on about the tour of the campus that Barbara did - it was all so special.*

*She & her devoted friend Deci visited me just this past year in the Copper Country of Michigan. My first Texas visitors and what fun we had - even in the rain. And soon I was to visit with she & Helen and enjoy an overnight, which I know would be with great food and then a fun ride to Granbury.*

*Dear Helen, Rose now has her beloved daughter with her in heaven and we know they will always be there for us. But we will never not miss them.##imported-begin##Corky Plassa##imported-end##*
