“ Dear Mary and Tommy, Elizabeth and all of the family. Evelyn was such a special friend and sister. I loved visiting with her and hearing her stories. Her favorite thing to talk about was all of you, her family. She loved each of you so much and loved to tell me all about what was happening. She especially loved holding her grand-babies. I will miss our visits. I know you all miss her so much. I pray that you will be comforted as you remember sweet Evelyn.
