“ I always enjoyed seeing Evie, when we would across each other out and about. She taught me to be sure and say who I was, when we came across each other. I will miss her smiling face.

“ Evie was a very dear friend and one of those people that genuinely cared about people. I don't think I ever saw her when she didn't have a smile on her face and a positive word to say. She will be greatly missed by me and Easy Rider, but I know she and Gene are enjoying each other's company in Paradise. Love to her sons and family. Bill and Darlene Morton
