“ Rest easy, darlin. You were loved by so many which is a true testament to the wonderful, kind, caring, thoughtful, patient, funny, generous, fun-loving, very talented individual you were. My first love, you will always be a part of me, as I am a part of you. The saying "love is patient, love is kind" must have been written to describe you. I was so lucky to have been loved by, and so in love with you. We know you are with the angels now, but it still hurts. Rest easy and free of this life's burdens and suffering. Until we meet again.....💔🙏❤️🙏🙏
