“ I always enjoyed going to the house to visit Uncle Hamilton and Aunt Foy. They always were fun to be around. After I moved to the farm they would come by here as well. A little bit before they moved they invited me with my Dad to lunch. When I was leaving that day she bent down to snapped off a green plant outside of the screen in porch. She said to me, go home but this is dirt and forget about it. Of course I minded what I was told. To this day that plant comes back every year. I call it my Aunt Foy Plant. I have no clue the name of it. One other day they were over. Uncle Hamilton had a small step stool to help Aunt Foy get into his truck. I asked if she need some help, Her words back to me were "Just give me time" I use that phase a lot! LOL

*Paul, Kathryn along with the rest of the family I pray for the good Lord to wrap you in his loving arms. To provide you peace and comfort. I know your Mom and Dad are together again. Love to all.
