“ To the family of Francis: I am Billie Ruth Holloway and my mother was Alice Ruth Johnson Holloway, first cousin to Francis Fields Burns. I had the opportunity to meet Francis in person when she attended a Harwell reunion with her daughter, Janice. I was so pleased to meet her and hear about her side of the family since my mother and I were named in honor of her mother, Ethel Ruth Harwell, twin sister to Etta Pearl Harwell, my beloved grandmother. Francis was so lovely to know. It was so much fun to talk to her and get to know a little more about our own Grandmother's life from the events that came about in hers. We will always remember her. Much love to her family members at this time. Billie Ruth.
