

## Francisco Javier Chavez Jr.

October 22, 2003 - September 8, 2021

Francisco Javier Chavez Jr. was born October 22, 2003 in Dallas, Tx to Brandie Chavez and Javier Chavez. He has passed from this life September 8, 2021.

Jr was 1 of 1. He was the big catch. He had the biggest heart; he was the light in a dark room. He had aspirations of being in the military but didn't follow through due to his love of reptiles.

He was the cook of the family ready to serve a whole full course meal any chance you let him. He was full of knowledge and always ready to share it. He wanted to make you laugh any chance he could, The giggles he did while thinking he was funny was wholesome! He loved to be with family and always wanted everyone to be happy. Jr was so full of life and taken from us way to soon.....

He was preceded in death by his brother, Jesus "Jesse" Chapa-Kite; his dad, Javier "Peier" Chavez; his tio, Omar Chavez; and his cousins, Julian Chavez, Marely Hernandez, and Julissa Lopez.

He lives on by his mother, Brandie Chavez; his sister, Alexis Lopez; his grandparents, Louis Kite, Alisa McDougall and husband Jeff, Gonzalo and Maximina Chavez; his uncle, Chris Kite; his tios, Gerardo Chavez, Felipe

Chavez, Chalin Chavez, and their families; his tias, Christina Hernandez, Sonia Martinez, Beatriz Lopez, and their families; and many extended family who will all miss him tremendously.

Family will receive friends from 10:00am-12:00pm on Wednesday, September 15, 2021 in Byrum Funeral Home Chapel with a Celebration of Jr's life beginning at 12:00pm. Interment will immediately follow in Laurel Land Memorial Park in Dallas.

Junior was loved by so many and will be dearly missed...

“ Junior words cannot express the main and loneliness that I feel since you both have been gone. I miss you both so very much. I would trade my life for y'all's in a split second without ever thinking twice. I hope you know just how much I love and miss you and what I would do to get one more hug from you and Jesse and just to hear y'all say mom one more time. I miss hearing y'all laugh I miss the phone calls and I just wish I could have one more day to make sure that I showed you and you knew without one single doubt how much I loved you. Merry Christmas I hope y'all are having fun without a care in the world and I hope you are both just as happy as anyone could be. Christmas isn't the same matter of fact not one day is the same since y'all left and will never be the same again. I just hold on to knowing that the day will come when I will get to hold you both again. I love you

“ Junior I still can't believe that you are gone! I miss and love you so much. That days get harder for me with each one that passes. I wish I could go back in time and make sure that I told you and showed you everyday just how much I loved you and that way you knew without a doubt. I have so much I still want to say and so much I wish I could show you. I write to you and Jesse on here occasionally just hoping that somehow someday you see it or will know it. As much as I disliked the snakes I wish you could see me now feeding them for you and really wanting to make sure that they are taken care of. I have you lizard with me now the Nile monitor. He almost got out one time I think we both scared each other. It was pretty funny. I'm trying to learn how to take care of all of them properly. I think you would be pretty proud of me. You and Jesse take care of each other up there and watch down over Lexi and I we need it. I love and miss you both so very much. The holidays are the worst and I never imagined having one of them without either one of you. You two are my angels up in heaven! We will soon see each other again and I know it will be like we were never apart. I can't wait until that day comes. I love you

“ I sure am missing you boys ALOT today. You have no idea what I would do to get a hug from you again, to hear your voice one more time, or I would even settle for a phone phone call. I just need you boys so badly. My heart is literally dying a little more everyday without yall. I love you!

“ Junior my heart is so sad without you and Jesse. Oh, what I would give to get another hug from you boys or another conversation. At this point I would be so happy just to see my phone ringing and get to look down and it say it was either one of you calling me. Man never thought I could miss something as simple as your name coming up when my phone rings. It shows me that although those things seem so simple while we are living life that it's not until we know that those simple things we will never have again. I took so much for granted with the 2 of you just assuming that you would always be here. Man if I had it to do all over again. So many things would be different. So many decisions would be different. I just hope through all the wrong decisions I made I can only hope that you know how so very much I loved y'all. I still can't believe this is the only way I have to talk to you in a sense. But after everything I'm just at least glad that I have this. I love you and I hope you know that. Goodnight. Sleep tight. Don't let the bed bugs bite. Always say your prayers. I love you so much.

“ Oh my sweet Junior boy!! I miss you so very much words can't even begin to explain. I want so badly for my phone to ring and it to say your name. Even if you do call me at 330am I won't even be mad at you. I love you Junior. Please let Jesse know how much we miss and love him to. I hope that you two boys are taking good care of each other like you did when you were down here. Please keep me and Lexi safe and keep a good watch over us. We miss the both of you so much and just can't believe that any of this has really even happened. I love you

“ So many conversations we shared, so glad of every part of life I was given the privilege to share with you. If you cannot be with us, heaven is definitely the better place to be. I hope you and Jesse now see everything in amazement. We love you both so much. We never expected that we would have to finish our journeys here without the two of you.

We are more sad than we ever knew we could feel. Please visit us, let us hear your voices again. So many memories, just not enough! I love you both so much! Love Nanny
