“ Gay and I went to April conventions together. Texas is so beautiful in April. I learned a lot from her. We also had lots of great meals and she drove. Gay knew all the great eating places and historic places. It was just a 2-4 day trip but they were great fun.
I am sorry for your loss and mine in the loss of a good friend.##imported-begin##Roberta Crippen##imported-end##

“ I worked with Gaynelle most of the 80's on Ervy St. office. We would go out to lunch most days. We had a great time and lots of great meals. Talked of her family a lot. I know she was a great person who loved her employers and clients.##imported-begin##Roberta Crippen##imported-end##

“ I first met 'Mrs. Bodle' when I was two years old. I don't remember that meeting, but I do remember her kindness throughout the years.

There was one occasion when I stayed with the Bodles overnight as a young teenager. I don't know how it came about, but I decided I was going to play beauty shop with Julie and Gina. We went into the bathroom dressing area and fixed their hair and gave both of them new 'do's'.

To this day I can't figure out why Gaynelle let me cut those girls' hair. I must have chopped their heads up! But she let me go with it, we had a great time, and thought they looked beautiful.##imported-begin##Jane (Susie) Young##imported-end##

“ *Gina and family, you are in my prayers. It is not easy to give up a Mother, as I well know. But you have a lot of good memories that will get you through the tough times.*

Just remember she is now back with Raymond and they can continue their good times together along with their other friends. Take care and if you need anything feel free to call me. Love to the entire family.##imported-begin##Kay Seabolt##imported-end##
