“ *Gene was one of the most engaging and thoughtful people we have ever had the opportunity to know. His cheery disposition and sharp sense of humor lifted our spirits throughout the years. He was the first to call and inquire after our health and well-being after a serious illness or operation and he was consistent in his efforts to lighten our burden during times of loss. It has been an honor to call him a friend and our sincere condolences go out to his devoted wife Evie, his sons and family. Joe & Margo Whitley*
