“ I spent many 18 years driving Ms Hefner around. We shared some wonderful stories about life in general and always talked about politics. She was funny and always ready to argue about something. She hated the doctors and loved to go eat. We would sometimes sneak off and eat cheese burgers and smoke cigerates. She loved her dog Maxi and her wonderful daughter Jackie and her granddaughter Heather. Heather would come over and do her toes and fingers. They always played the card game UNO. She will be missed greatly and we loved her more than words can say. We know that the great Army of angels took you and we will see you again!!!!!!##imported-begin##Joe Nicolini##imported-end##
