“ *Happy Thanksgiving Momma and Daddy*

Today, we spend another Thanksgiving with out the both of you. And as sad as we feel, we still celebrate today because your baby girl is celebrating her birthday today!!

Holidays are not the same without you both here with us, eating your relleno momma, and daddy your famous giblet gravy.

As we, Ester, Rosemary, Christine and I celebrate another year without you both, just know, you are constantly thought of, missed and loved even more than yesterday, that will never change.

Give our love to everyone there celebrating Thanksgiving!!

Happy Thanksgiving Momma and Daddy!!

“ Daddy your little daughter misses you, I will miss your daily calls, may it be about work, sports or every day life. You taught me so much, about cars, tools and throwing a ball like a girl. I have learned a lot from you but not about letting you go, but I know you are always with me. I love you daddy until I see you again!

“ *My wonderful, sweet, loving, caring daddy, a King among men, I will cherish and treasure every single second of time I spent with you. I've lost my hero, but I will see you again and I'll rejoice at having you beside me again. Life will be much different now, but I know you are resting and at peace. You'll forever be with me I know. I love you and miss you so desperately daddy!*

Loving you always, your son Ricardo Mejia
