“ For 39 years you have been my rock, my hero, my biggest fan.. More than my mom, my everything. You are the strongest person I have ever known and I'm so thankful you have given that strength to both your daughters and grandchildren. I know it's my turn to be the strength now and with you watching over me I can do it. With you.. I can do anything-you taught me that. I miss you so much but you have filled my life with so many beautiful memories I'll never truly be without you. I love you.
