“ I never met Hal in person. He and his brother was classmates of my mother Wanda koonce. I only talked with him over the phone, he had met my siblings and their kids. Hal was like part of our family, we would call and check on each other. Hal was a fun ,loving and caring person. I learned a lot from Hal about mother in her school years. Hal was the one who help me get in touch with other classmates for her surprise birthday. Hal was my co-conspirator!! I wished I could have met him in person, but I will always cherish our talks over the phone. REST IN PEACE MY FRIEND!! I love you and will miss you. God gained a special angel !!!
