

Henry Mejia Jr.

August 1, 1951 - September 22, 2016

Jr was given the gift of life by Virginia Ramos Mejia and Henry Mejia on August 1, 1951. After a long courageous battle, Henry Mejia Jr fell ill to an infection and went peacefully to be with the Lord September 22, 2016 at the age of 65.

Jr is survived by his wife of 43 years, Aggie Mejia, his children Keith and Kimberly, grandkids Desmond, AJ, Darren, Olivia and Molly; siblings Maria, Carlos and Lewis along with many nieces, nephews and family friends.

Jr as we all knew him was a hard worker his entire life, a devoted husband, father and friend to many. He had a love of golf, history, old westerns, reading books, the outdoors and nobody can forget his favorite comics, flashlight and artillery collections. He was the most unselfish, caring, genuine, determined and strong willed person. His wisdom and knowledge was welcomed by anyone lucky enough to know him.

Our family is broken without our fearless leader, but we will get through this difficult time as that's what his final wishes were. "To be strong together!"

To honor his wishes, we are opting for a non traditional closing chapter to his own book on life while our family continues to heal.

In lieu of funeral services, we will have a celebration of life gathering in memory of Jr.

“ *My Junsie was truly one of a kind, what I will miss the most is his greetings . He would hug and kiss you as if you were the only one he greeted that way. I chose to believe that I was the only one. And the fact that Aggie and him were almost always together. I know personally what you are going thru Aggie. I pray that God will gives all the strength to continue on till we meet again. I love you*
