“ I miss you dad. You were the greatest dad,husband,grand father and great grandfather that ever lived. You were also the smartest person I knew.Kevin and Tara were lucky to have you in their lives. They loved all of your stories and spending time with you. You will be greatly miss by all of us,especially me.

To Karen and family, our heartfelt condolences. I will miss Pat and our long telephone conversations about everything under the sun, especially our trips back into the past, and Pat's interesting, witty stories. It was a comfort to be able to call him or get a call from him. He was always there and never at a loss for a good chat. Love, Bob and Elvira Ussery
