“ I'm not sure who posted the "fun times" story, but it sounds exactly like what my mother would write and I could not agree more. Truly a fun time at Buster and Ida's house that I will never forget.

“ Dear Kay and Kim,

You know how special your family has been to me all of my life. I loved your mother and daddy as though they were part of my family and as I do you. We have had some really fun times over the years. Hopefully you both can remember and focus on the fun times and not on the difficult ones. You know that I am here for you if you ever need anything.

*Love you,

“ Our family went to visit Buster and Ida only a couple of times, but when we went, we knew it was going to be a really fun time! The kids loved to fish in the lake, and the games in the loft were a child's dream! Ida always made us feel welcome and loved. She was the epitome of a gracious Southern lady, and I was impressed with her ease and success of providing scrumptious, attractive meals for us. We hold those memories dear to our hearts, and she will be loved and missed forever!##imported-begin##Meredith Skeeters##imported-end##
