“ *So sad to hear Meme passed, my greatest and only memory was her humor of life!! She was also an AMAZING cook, every time I make her chicken spaghetti recipe it reminds me of some great times with her granddaughter Gena!! That recipe will always hold special in my heart. You were an AMAZING Meme.*

“ *Death leaves a heartache no one can heal, love leaves a memory no one can steal. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.*

Wishing the Garvin family peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.

“ You all are in our thoughts and prayers.....this was one of the most beautiful women I have ever know. So full of love and kindness, such a true example of what Christ wanted us to be. His command was that of only one thing "Love one another" and she truly did that in every act she did in her life. She will be greatly missed, but to know she is finally with our Lord is such a beautiful thought to dwell on. Our prayer is for him to be with you all in the hard days to come and he will be always remember that always. We love you all. Mike and Linda Russell

“ My sincere condolences to the Garvin family. Mrs. Garvin was such a wonderful lady and one who had so much love and compassion for every living thing, human or otherwise. She was a Godly woman with a zest for life and a great sense of humor. She could tell a story better than anyone I know and was loved by all who had the good fortune to meet her. She will surely be missed. Glenda Powell

Just like I remember them in the good old camping days in Arkansas and Colorado. She knew the Bible and her Lord, she fought the fight and she won Sunday. Mom and I together talked to Imogene and Kathy last week and the last things we said were "I love you". Her price is far above rubies. I think if she had the choice, she would have a little long cabin on the hilltop rather than a mansion. You all are our family and have been for over 60 years. Sending you our love, prayers and asking for God's peace to surround you. With much love the Morris Family.
