“ *Jack was a dear family friend! Jack and Carolyn seemed were one of the fixtures in my parents circle of friends since I could remember.*

I remember that he would always give you a big handshake and he seemed to always have a smile on his face.

I also remember as a child finding out that he ate his shrimp without peeling them and that solidified his place in a young boys mind as being a man of steel!

Jack you will be missed!

Jack Neil always had a smile on his face and a kind word. He was one of the reasons Lancaster was such a great place to grow up. He watched over all the kids as if they were family. I know he is rejoicing in heaven with Jennifer!

Dearest Carolyn, Kim, Wendy and Families: So very sad and sorry to BELATEDLY learn of Jack Neil's passing last week. Due to illness I got behind on newspaper reading and just caught up this morning to find this very sad news about Jack Neil, your beloved Husband, Dad, and Granddad's passing in last Friday's DMN. I hope you know I would have wanted very much to be at the Visitation and/or Memorial Service. Please know my thoughts and prayers are with all of you at this most sorrowful and difficult time....I pray God's Love, Comfort, Peace, and Strength will continue to sustain and surround you as you adjust to Jack Neil's physical absence in your lives. I know you already know he will always be with you as long as you live in every way...except physical...then what a wonderful and glorious reunion in Heaven with both your precious Jack Neil and Jennifer! All of you are so very special to me....a bond with you because of Jennifer and Brian that will never be broken. Jack Neil was such a special man....my heart is aching for you and grieving with you and for you, and my very special thoughts and prayers will be with you as you are on this very difficult journey. I love you all very much.....Jo Ann
