“ All my thoughts and prayers to the family of a dear man. I enjoyed chatting with him over the years at my teller window, about gardening and of course his grandkids. He always called me kid. He will be truly missed.

“ Uncle Jack was the best! He was always so fun to talk to and always made sure that he talked to everyone at family reunion. He always had something interesting to share. I loved it that I always thought he looked like Abraham Lincoln! :) Not everyone can say that about their Uncle! haha. He was a true gentleman in every way. Love you Uncle Jack and family! You will be terribly missed, but enjoying friends and family in heaven.

Love you all,
Tonya Hart
