“ I'm sorry this is so late posting, but I'm just learning of Jack's passing. As so many have said, he cut my dad's hair for years and I THINK gave me my first haircut as a child. He, Joyce, and Beverly were also our neighbors in Lancaster. I last saw him several years ago when I was in Lancaster visiting family and was amazed that he remembered me and was still such a kind person. I know that those who grew up in the community knowing him will miss him greatly.

“ I remember Jack cutting my hair as well as my grandfather's hair back in the 1980s and 90s. He was a good man and a good barber

“ *I only met Jack a few times and he was always smiling ; but Frank knew him from way back when - when he had the barber shop and was doing some wheeling and dealing around Lancaster all the time. He was a smart man, and a kind one. I don't know anyone who could say a bad word about him ! I know you will miss him greatly.*

“ I can only imagine how much you all miss Jack. I don't ever remember him not being happy, but I never saw him sick. What a wonderful husband, father and grandfather. When I was little Jack called me Tommy and I thought it was awesome. Thankfully as I grew up he dropped that nick name. Thank you Jack and all the family for many great times.
