“ *I'm so thankful to God for putting Jackie in my life .I have many sweet memories of her, one of them being in the same church with her for a time. I enjoyed many phone calls with her when she was in her home. Heaven gained a very special lady, and she sure was a lady.*

“ *Precious Mother,*

*Your grace and kindness will forever embrace my memories. Half my heart is gone now and the only comfort I can find is in knowing without a doubt you are with Jesus and that your crown is so heavy with jewels that you need a court of God's angels to steady it as you dance along those streets of gold. God blessed me with you for so long but I still couldn't get enough of you. I will miss you terribly. Please be my guardian angel and watch over me until I can kiss your cheeks and hear your laughter once more.*

*Until Eternity reunited and with a sky full of love and gratitude,*

*Your daughter,*

*Lesa Campbell*
