“ We all called him Tuley. He worked for Saladmaster for so many years. Tuley always treated the company as if it were his own. He and Wanda were always so warm and loving. I will miss his wonderful sense of humor. He could always make us laugh.

Randall was my uncle. He always made me laugh. The only regret I had was not reaching out to him or Kevin, his son, over the years.

Unfortunately, we all seem think we're going to be here forever. However, minutes turn into days, days into years, and before you know it, lives of those you love have come and gone.

Unfortunately the hour Glass doesn't stop or pause for a picnic break. Lives get busy, and one by one, those we care for, fall away to a meeting with our Lord.

I miss him, but wish I had more time. I guess that's the one thing we all wish we had.....more time.

“ *I was blessed to have you for a father in law for 24 years and still call you family now. I don't know where to begin. You were such a delightful man and always had something up your sleeve. My kids are so blessed to have such a good example to look up to. Always had six dollars to go eat on, lol. The memories my kids will have is such a blessing. I truly believe they had the best pepaw ever. I hope they have even an ounce of your integrity and also more of your Love for God. You took us by surprise like you always do and went on to heaven. We will miss you. There is no one quite like you. Remember the Alamo.*

“ *Stacey Hickson This is heartbreaking. He was my neighbor since 1976 and was the main reason I was able to attend Hutchins Baptist School. He talked me in to joining the RA"s which taught me a lot. Taking all of us to the wrestling matches which he seemed to love as much as we did. He helped me go on my senior trip to Galveston. He's done so much for me thru the years and into my career as a firefighter. I had so much respect for him and loved him as a friend and as a mentor. I'll miss him coming by the station. I'll miss seeing him and talking to him at city events. To Mrs. Tuley, Kevin, and the rest of the family, our hearts ache with you. Our prayers are with you all.*
