“ I was shocked to hear about Jans passing. She was an original, one of a kind woman. Although our relationship changed significantly a few years ago, I have always held a very special place in my heart for Jan. For so long, Jan was such a dear, dear close friend and confidant. We shared many laughs and also a few tears together. Jan was never "an employee", she was a once in a lifetime friend that I thought of often. She made a difference in my life and the lives of all who knew her! I let her down and I hope that she finally forgave me. God Bless you Jan and may he comfort Todd and Don and all of her dear family.##imported-begin##Jerry Burden##imported-end##
