“ I met Gene and Jane at church when I was 9 years old and our families have had a connection ever since. They both were such loving and faithful Christians. I remember when Jane used to pick me up to go to the movies and after church we would all go to eat frozen yogurt! Once my parents retired and moved back to Ohio, Jane continued to visit my parents. My mom and her were best friends! We will miss her very much! I know that Jane is in a better place and is together with Gene again! We too can have the hope of salvation if we follow Jesus! We will miss you so much Jane, but we know we will all see you again one day! Love, Christy, Kaylee, Ashley, and Aiden Martinez (Sasz)

“ When my son Bryan was about 2 years old some friends of mine invited me to place tennis in Burleson. Since it was April Donna was working doing income taxes 6 days a week until after midnight. Jane volunteered to keep Bryan. When I picked him up she offered to keep him anytime.

Later on when Todd & Bryan were young the Church was having a Vacation Bible School. Since Donna & I were working we couldn't get them to the Church. Jane, Mazie, and other ladies at the Church divided up the week and kept the boys before and after VBS.
