“ *My name is Dominique and I was very blessed to know Janie through my buddy Gen. I admired Janie. She raised a strong, giving and compassionate daughter. I know where Gen learned her devotion to God and family comes from. I seen the sacrifices you both make daily for your family to make your families lives a little better. Janie always welcome me into her home and treated me like family. It will never be the same when I visit Gen. The only comfort I have is Janie is reunited with her husband Alfred and the rest of her family in heaven.*

*I will be praying for the Torres family.
Love Dominique and Charles*
