“ Moon was the role model of motherhood. I always wanted to be as loving, caring, and loved as she was. There were times that my children would call me Nana and I always saw it as a compliment that they saw the love we had for them so interchangeably.##imported-begin##Joy Royal##imported-end##

“ Each year for Thanksgiving and Christmas after Tim's mother passed away, Janis always wanted to know what Tim and I were going to do for the Holidays. Depending on whether our grandchildren were with us for the holidays, would depend on whether or not we went to Janis's. We always enjoyed being with Janis and the family during the holidays. Bill always made plenty of food for everyone. Janis always made sure at Christmas, that Tim and I and our grandchildren had a gift.

Janis we love you and will miss you deeply...##imported-begin##Beverly Estes##imported-end##
