“ Jason,  
I shall never forget you. You always made me smile even when I was so mad at you. Students like you truly impact my life. I love you and am so glad I got to see you a few weeks ago at Olive Garden. I was so proud that you took time to come and give me a hug. I will be here for Chris, so watch over us! Love from your PLATO teacher.

“ I dont have a specific time, but better yet the years that we rode the bus together, Jason was such a person who stood out, because no matter what kind of day that I was having, he could always, make me cry because I was laughing so hard. I had troubles elsewhere, in my life, and Jason, was always there to take my mind off of things. He will be missed. My deepest sympathies go out to the family.##imported-begin##Alicia Pyle##imported-end##
