“ They say time will heal the pain. Well I don't believe there is enough time in this world that will ever take away the pain I feel. You were the only man that ever really Loved me and my children and you were the only one that ever really knew me. You will always be first and foremost in my heart and I will truely miss you forever. I love you and I truely miss that face so much. Until we me again my LOVE.

I will always love YOu!!!

“ *Janice... I can't explain the hurt I feel for you at this moment. I know you loved Jerry so, I could always see it in your eyes when you talked about him to me, and you were always talking about him. Just want you to know you and your family are in my thoughts and prayers.##imported-begin##Cindy Sawyer##imported-end##*
