I am crying now because she was the sweetest lady sweetest person to me. I know that you will all miss her terribly and my heart goes out to you. I would love to make contact with you again I've lost so much time and lost contacts with family. My email address is raingems@yahoo.com. I would love to hear from you and to connect with you and give you the pictures that I have kept so long. I pray that you get this message and that you will reach out to me.
