“ Oh grandpa,

*Trying to figure out who's going to be there to call me Jason, or who's going to be there to tell me this weeks inappropriate joke of the day, or who's going to be sitting on the porch waiting for a daily update is just to much for me to think about. I know that you're in heaven rejoicing and that you have plenty of company. I memorized all the bad jokes and will make sure to save the best ones for big events and major holidays and maybe even a few for times like this where everyone needs a good laugh to pick the day back up but nobody will be able to do it like you!
Love you grandpa, until we meet again.*

Yours truly, Jason/Justin lol
