“ Mom shared her life with everyone. She had a way of bringing out the best in people. She was able to see their strengths and develop them until they were obvious to all. If I could have hand picked my mother, I couldn't have done a better job. Thank you mom for being the best example I could have. I love you and can't wait to see you again.##imported-begin##Dawn Rene' Woodyatt##imported-end##

“ I have such fond memories of Miss Jimmie and I will treasure them always. I have the baby afghan that she crocheted while I was pregnant with my daughter safely put away for her to one day give to her own child. Sending all my love and prayers to the Clopton family.##imported-begin##Melinda Holloway##imported-end##

“ Miss Jimmie will be missed. I have always liked Jimmie and David both since the day they moved into the house next door to my parents. She was one the kindest people I've known. My thoughts are with her family and most of all, with David.##imported-begin##David Fennell##imported-end##
