“ A huge Thank You to Roy and Jo Ann Busby for having hosted many years of family basketball games as all the kids were growing up. Without that we would never have met Hock and Jeannie. We were late to the party but lots of fond memories with Jeanie's wisdom and Hock's wicked sense of humor. John and Victoria Helmer.

“ *Sweet man who loved his family and Lancaster. Remember him playing basketball in high school. For the last few years evenings he was walking the old town square area being sure trash was picked up. Always a wave and if you stopped to talk to him it was friendly but short because he was on a mission. We all knew that his focus would be to join Jean. Thank you Hock for being a part of lots of our lives.*

“ My heart hurts for Jimmy Cheshier’s family, which otherwise was known to his friends as Hock. Hock was a really good basketball player, competitor as well as a good sportsman and a good family friend. I remember when I was a lad watching him, my daddy Donald (Snake) Russell, my uncle Mike Russell , TJ Chowning, Norman Webb. Jim Tom Roddy among others play in the church and city basketball leagues in the early 1970’s. They were very impressive to watch to say the least. I also remember whenever a dispute would break out on the court, Hock was right there trying to be the mediator to break up any potential problems between the teams. I know Hock, my daddy and uncle Mike had many smiles and good memories together and I hope and believe there are finally several of them together again maybe shooting a few hoops up in heaven as they catch up, while watching down on us. Hock, you were one of the good ones and will be missed by many here on earth ol friend. Til we meet again, in the sweet by and by.
Respectfully, Ronald A. Russell
