“ *Just recently began trying to reconnect as I have thought of her over the years so often. She was my volleyball coach, drill team instructor, pe teacher and friend. She taught my sisters before me. I have compared coaches as I watched my granddaughter play volleyball in high school and now in college. None match up. I would tell my family "my coach would never have put up with that .." Or "I can't imagine my coach treating a player like that". So sorry I didn't have the chance to tell her what she meant to me. Hurting for you.*

“ Mrs. Peebles was my PE teacher and my volleyball coach. Loved her and she is who inspired me to become a PE teacher myself. However, I don't think I ever lived up to her. She was a wonderful person and I am sorry that I didn't stay in touch with her after graduation in 1963. My condolences to the family and may she rest in peace.

*Mrs. Peebles first year as PE teacher was my first year in high school. I had not been in touch for several years. Always enjoyed being around her and learning from her. I road bicycle to the house to babysit the kids a couple of times when I was in school. I remember driving her car once, but can't quite remember why?? So sorry to hear she is gone.

*Sorry to hear of her passing. She was an inspiration to many. I have many fun memories of drill team practice in the summers at her house with all the captains. I was one of the managers.... Everyone loved her! Sincere sympathy for her family!*
