“ Johnny or as I chose to call him "Grandad" has been a part of my life for many years. He embraced me, as does Granny, as one of their own. I am truly going to miss him, but I hold tight to the wonderful memories and the knowledge that he is dancing with Jesus and one day I will see him again! I love you Grandad! Shelley Mann

I will so miss seeing my sweet Uncle Johnny on visits to Killeen. Am happy that we were able to visit as often as did these last several years. Now he's with my mom and all of their siblings having a grand time!
