“ John Shelton - Now here's a prime example of “ They Don't make em like that anymore.” To Myself, Jennifer and Our Girls he was known as Papa John. I spent the early 90s with this Man working on Tractor Trailers , He introduced me to the finer things such as Monkey Goobers and Tomatoes on Saltine Crackers. He Bought my first Steer out of an East Texas Pasture as the Sun came up on a Saturday Morning. . He was my Friend. The “Feeds” he and The Classy Miss Peggy used to Host were EPIC! He was Positively A Man's Man! He will be Missed by Many. Jack / Jennifer Trice
