“ I remember very well it being Uncle George's house I went to--and his family I stayed with--when my grandmother, Uncle George's sister, was taken to the hospital to later be pronounced dead. No better place for me to have been. I will miss you, Unk.

“ Johnny - Our World is darker now without You - From our Family to Yours - Charlene, Johnny L., Randy and Rod, - Only Time will ease your Sorrow, but just remember that God now has a new Joy with Him.

I was fortunate to have spent a lot of time with Johnny and knew his "life of the party" personality, but I also knew the very serious and even sentimental soul that had a very deep Love for his Family.

Johnny, I miss you dearly, May God Bless you
