“ Jo Jo and mama brandy Turner dancing I'm the small living room and into the kitchen while on her hip.... I remember Alfonso opening the door to that small red oak apt duplex and just smiling.... I don't think I ever shared that with either . Those things are frozen in time for me. There was so much love! There still is and sometimes people need to Remember from another's point of view. God is Love and love is God... I think y'all both have more than one angel looking out
