“ *Madrina, a woman of Christ. She always made sure that I went to church and also made sure that my kids did too. She would always take us to church and make Amanda and me wear dresses when we were young. Thank you Madrina. I already miss you. May you rest in peace.* ”

“ *I did not know Jovita personally but I knew her fruit and from that knew she was a praying woman of God. It has been so wonderful to know Sonia and Joel and family. I know that they will be in heaven to see Jovita because of her comittment to prayer. If Jovita is anything like Sonia then I know I would have loved this woman of God. Our prayers go out from your family at the Lighthouse Sonia. We love you and are here for you.*
