Thinking of you everyday Mother. I miss talking to you on the phone so much. It's hard not to pick up the phone and call you. We so enjoyed our evening conversations. I miss our visits most of all.....shopping, eating and laughing together for hours. We loved our morning coffee and listening to Joyce Meyer. Save a place beside you and Daddy in heaven. I will meet you there someday. I love you both so much.

I now live in Corinth and did not hear of Joy passing. Her name suited her so well. She was a joy to be around. I worked for her as a hairdresser when she owned the shop in DeSoto. When I left the shop and stayed home - we still did things together - State Fair a few yrs ago, was the last time I saw her - we talked some on the phone. I just remember the laughs - she was funny and she thought I was. I moved and couldn't find her number. This makes me so very sad. I feel like I've lost a family member.

“ *Joy was such an amazing person. I only met her about 8 years ago and feel I was so lucky to get to know her. She was a golfer, a great cook, an excellent driver, and truly cared about the people in her life. Joy made me feel special anytime I was with her or talked with her on the phone. I know that Joy will be missed by so many people. I know that I will miss her.*

“ So sorry to hear about your loss. Joy and I met at Cowboy Church of Ellis County. She learned that I had grown up in Winnsboro and sought me out and we became friends. Heaven rejoices as we mourn. She was a wonderful lady.
