My family and the Dallas ISD Police Department prayers are with you and your family during this time of transition and home going celebration of your father Officer Davila. May God continue to strengthen, protect and guide you and your family.

Brother, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him.
