“ *My dad was a wonderful father. He enlightened so many people's life and was so funny. I will always remember how he always used to tell me how I was just like him. He would tell me I was smart and how he was very proud of me for being the woman I am today. My dad was a very smart man. I will always be his little baby like he would always tell me and tell everybody he met that I was his little baby. I love you daddy and I will miss you so much. Your in heaven rejoicing with God and your parents and brothers and sisters. Till we meet again daddy love you mi papi hermoso! Tu bebida Brinda!*

“ *I really enjoyed the short time that Johnnie and his wife attended Templo de Vida. His talent to sing and play the guitar has blessed many people. And I really enjoyed his sense of humor. His corny stories or phrases always made me laugh.*
