“ *Momma Juanita was a blessing and my earthly angel. Her strong faith, love for Jesus and dedication to praying the rosary (Divine Mercy and to Blessed Mother) was always inspiring to me. She greeted you with a warm smile and a compassionate hug. She always made me feel good about myself; however, I couldn't get away with things either. She did not hesitate to correct me when I was wrong. She loved me as her own. She will be dearly missed; however, she will always in my heart helping me along my journey to our Savior and eternal life. Thanks momma Juanita for all you have done for me over the years. I love you. Continue to prayer for us still here.##imported-begin##Teresa##imported-end##*
